

# Finish BIG

Your term is almost over  
but not your legacy.

## Nudge Someone Awesome

Who should you praise and encourage?  
Is there a young member who would be a great officer?  
Is there an advisor who would be a great board member?  
Nudge others to take the next step.

## Prepare Your Replacement

Look at every officer experience this year.  
Ask "what went well" and "what could I have done better."  
Write these down or record your thoughts  
to share with the next officer.  
You've done the work. So help the next officer be great.

## Rest

The conference will be busy and you need to shine.  
Get sleep and show up ready to shine!

## Be Gracious

Write down everyone who helped you succeed.  
No one does it alone. Thank them.
